Symbol of Freedom Flag Program New Subscriber & Renewal Form

Dear Old North End Neighbor,

The North Colorado Springs Rotary Club Foundation and local Boy Scout Troop 21 (meeting at Corpus Christi Church) invite you to join your friends and neighbors in displaying the American Flag, our symbol of freedom, on 5 days each year, consisting of: Memorial Day, Flag Day, Independence Day, Labor Day and Veteran's Day. On these days, Scouts will place a large 3' x 5' flag on a 10' pole near the sidewalk in front of your home in the morning and remove it in the evening.

We hope you are familiar with the *Symbol of Freedom Flag Program* currently starting its tenth year. We would like to extend an invitation to join (or to continue to support) your neighbors in showing your patriotism while at the same time making a donation that will benefit two worthy organizations.

The proceeds of this program are split between the **Boy Scout Troop 21** and the **North Colorado Springs Rotary Club Foundation (NCSRCF), a 501(c) (3), tax-exempt public charity**. The NCSRCF utilizes the funds from this program to support its humanitarian projects that address the issues of education and poverty for those in need locally and internationally. In addition, NCSRCF supports other local youth related programs and charitable organizations. The Foundation has underwritten a two-day Ethics Training Seminar for the freshman class at Doherty High School for the last eight years. To date, we have provided this training to more than 4,500 students. We look forward to expanding this program to other area high schools.

To begin your support, you need only to tear off the bottom portion of this page, complete the information requested, and send with your check to the address shown below. If you have any questions, comments or concerns about the program, please contact:

Alan Tefft 473-6477 or **Scott Perry** 548-1618 (Rotary club members)

Service begins on Memorial Day, May 28th. If you are a new subscriber, please allow two weeks for Rotary members, working through the Utility Notification Center, to install a discrete PVC plastic sleeve and cap near the sidewalk. (Please act now as coordinating this installation takes time and all work is done by volunteers.)

We look forward to hearing from you!

Scott Perry
 Chairman, Symbol of Freedom Program
